QCA NO. 500/3779/1

WHO SHOULD ATTEND?

- Trainers, Managers and nominated safety personnel requiring a sound understanding of health and safety in the workplace
- Anyone wishing to teach Foundation Level Health & Safety and associated subjects
- Anyone responsible for health and safety within their organisation

SYLLABUS (includes):

- Occupational health & hygiene
- Safe systems of work
- Education and safe use of electricity
- H & S legislation
- Ergonomics and manual handling
- Equipment and premises design
- Workplace safety
- COSHH
- Safety management
- Education and training
- First Aid provision
- Accident prevention

ENTRY REQUIREMENTS

There are no pre-requisites for this course. However, attending a basic/foundation level Health & Safety course would be beneficial.

ASSESSMENT AND EXAMINATION

A 3-hour written examination is available for those delegates who have successfully completed the two pre-set course work assignments.

Successful candidates are awarded the Chartered Institute's Level 4 Award in Health & Safety in the Workplace.

SUPPORT

Full and on-going support to ensure your future success is available to you.

Should you consider teaching Health & Safety, a wide range of appropriate resources will be made available for you to purchase.

This Level 4 Qualification is eligible for military ELC funding

"... a very enjoyable course last week, hard work but a lot was learned ..."
